Sarah Passonneau (Iowa State University)  
Michele Christian (Iowa State University)

Student Perceptions as a Method to Improve Information Literacy  
Eric Resnis (Miami University)

RAILS Results 1 Year Later: What We've Learned and Changed So Far  
Jenny Rushing Mills (Belmont University)  
Jackie Belanger (University of Washington, Bothell and Cascadia Community College)  
Claire Holmes (Towson University)  
Carroll Wilkinson (West Virginia University)

LibQUAL+®/Surveys

Protocols and Priorities, Comparing Radford University Users' Priorities using LibQUAL+® Long and Triads Survey Data: A Preliminary Study  
Eric Ackermann (Radford University)
Focused Surveys as Building Blocks of a Sustainable Assessment Program
Cheryl Albrecht (University of Cincinnati)
Pamela Bach (University of Cincinnati)
Kristen Burgess (University of Cincinnati)
Leslie Schick (University of Cincinnati)

Reversing the Trend of Declining Survey Response Rates--Was it Something We Did?
Susan Bailey (Emory University)
Vincent Carter (Emory University)
Stacey Martin (Emory University)

Dartmouth College Library's Triennial Survey
John Cocklin (Dartmouth College)

Coding Practices Decoded: Using NVivo Software to Analyze LibQUAL+® Comments
Sarah Dahlen (California State University, Monterey Bay)

Finding our Value: Developing a Survey that Shows Our Impact
Victoria Goode (Johns Hopkins University)
Lori Rosman (Johns Hopkins University)
Stella Seal (Johns Hopkins University)
Jamie Blanck (Johns Hopkins University)
Sue Woodson (Johns Hopkins University)
Jack Chen (Johns Hopkins University)
Nancy Roderer (Johns Hopkins University)

Promotion Techniques to Build a Larger and More Representative Sample for Your Survey:
Findings from LibQUAL+®
David Green (Association of Research Libraries)
Henry Gross (Association of Research Libraries)

Building a 21st Century Learning Environment: The Power of LibQUAL+® Information to Foster Change!
Carolyn Hart (Atlanta University Center)

Case Study of a Five Year Annual Computer Satisfaction Survey at University of Illinois at Chicago
Timothy Klassen (University of Alberta)
Bob Daugherty (University of Illinois at Chicago)
Felicia Barrett (University of Illinois at Chicago)
Emily Guss (University of Illinois at Chicago)
Allison Holton (University of Illinois at Chicago)
Linda Naru (University of Illinois at Chicago)

"We Hope it Helps": The Impact of Incentives on LibQUAL+® Response Rates
Jennifer Nutefall (Santa Clara University)
Doing LibQUAL+® at the Worst Possible Time: How Changes in the University and Library Affected Results
Marcia Rapchak (Duquesne University)
Allison Brungard (Duquesne University)
David Nolfi (Duquesne University)
Tracie Ballock (Duquesne University)
Bridget Euliano (Duquesne University)
Joe Nelson (Duquesne University)

Boost Your Survey Results with People Power

Poster Voting Instructions

Judges’ Choice – On Monday, a select group of judges will determine the best posters in each of the eight categories. These posters will be the Judges’ Choice Awardees!

People’s Choice - Save the orange dot you find inside your nametag badge. The Judges’ Choice Awardees will be featured throughout the day on Tuesday. To vote for your favorite poster, attach your orange dot to the numbered voting grid by 4:00 pm. The poster with the most orange dots will be declared the People’s Choice!
